

# Break the Cycle Raise Awareness

Dear *Sponsor*,

As a strong community supporter, we invite you to collaborate with the Center Against Sexual & Family Violence (CASFV) and the Women's Center of Brazoria County for the upcoming father and daughter ride against sexual and family violence event ending on April 12, 2023, at El Paso County Courthouse. We would greatly appreciate your support to help "Break the Cycle, Raise Awareness".

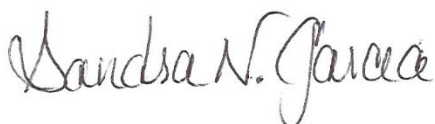

For years, members from the corporate and civic community have joined in benefitting the thousands of survivors that CASFV and the Women's Center of Brazoria County help. This year there is a unique fundraising event that will impact survivors of domestic and sexual violence. Dr. Greg Dillion will be cycling with his 23-year-old daughter, Mya "YaYa" Dillon, from San Diego, California to El Paso to help raise awareness and funds that will go towards CASFV's and the Women's Center of Brazoria County efforts.

CASFV and the Women's Center of Brazoria County empower families who remain exposed to community food insecurities, job loss, and homelessness which continues to make them vulnerable to victimization. This "Break the Cycle, Raise Awareness" will raise money that will help empower victims by continuing essential services like emergency shelter, crisis hotline, transitional living center, sexual assault services, case management, therapy, and support services.

A sponsorship form is attached for your convenience and there are several options available. For more information, please feel free to contact Isaac Duran at 915-593-1000 ext. 402, or visit our website at [www.casfv.org](http://www.casfv.org).

Thanking you in advance for your support.

Gratefully yours,

Sandra Nevarez Garcia  
CASFV- Executive Director
