Membership Drive Contest Rules

Contest Runs January 1 – March 1, 2024

Contest participants must be current Texas Probation Association members.

To receive credit for recruitment, new applicants must put the name of the person who referred them on the TPA membership application in the appropriate blank, "Referred by," at the time of application. If the "Referred by" section is left blank at the time of application, the application will NOT be counted in the total required to obtain a prize.

A drawing will be held of all of those who referred members. There will be two cash prize winners for referrals. The first prize will be drawn from those who recruit 20 or more members. The second prize will be drawn from those who recruit 10 or more members. A third prize will be drawn from re-instating (not renewing) members who reinstate for a minimum of two years.

Contest ends March 1, 2024 at 5:00pm. All new member applications received after this deadline will not be tallied in the final count for the contest. All payments for new membership fees must be received by March 1, 2024 at 5:00pm.

All contest participants who recruit at least one member will be recognized in the Texas Probation magazine publication in the Summer 2024 issue.

All contest participants are encouraged to send in their photo (preferably a headshot), along with their current position title, and agency affiliation to be recognized.
